

October 12, 2010
Porter Ridge Band Booster Meeting

*Meeting called to Order at 7:10 by Rob Orr with 16 in attendance

*Minutes from June, August and September were passed around for review
Motion made by Beth Kitchen to approve
Second by Deborah Luna

*Committee Reports

- The Flapjack Breakfast was a good profit fundraiser and we will plan to do another one in the spring.
- We will also be considering an Auto Bell fundraiser for the spring.
- Mr. Faires handed out a letter for all to look over as a possible fundraiser for next the next band season.
- We will be in need of more uniforms next year as our band continues to grow. Each uniform is \$300. We will possibly be adding 40 freshmen with only 13 seniors graduating this year. At this time we have 100 uniforms.

*Treasurer's Report

- The Flapjack Breakfast profit was \$1500.
- Band fees are still coming in with installments. There may be some confusion for upcoming freshmen and their parents with band fees. We may need to send letters home with 8th graders in the spring explaining band fees.
- There is an item in the Budget labeled Band Council that we no longer have. Beth Kitchen made a motion to allocate that money to another category. Passed.

*Volunteers

- Rob was thankful for parents who have stepped up to volunteer this year.
- Spoke to volunteers about staying on their "duty" at all times.

*Questions

- PCC...Can people volunteer all day? Lisa Crosby will be handling volunteer sign ups and we would love for people to volunteer for the day.

*New Business

- Pirate Cove Classic...At this time we have 16 bands signed up to participate. Beth has received \$800 in donations and \$490 in Ads. We will be printing 250 programs for sale (100 less than last year). We will use wrist bands that we have left over for our volunteers, but will use hand stamps on bands and guests.
- The Pit crew will need tractors, trailers and construction lights for the day.

*Director's Comments

- Today's rehearsal was canceled because everyone just needed a break.
- 8th Grade night this Friday at Homecoming
- Middle school just received new lockers for instruments

*Meeting adjourned at 8:20

Minutes submitted by Lisa Crosby
